

# Use Case Diagram

**Use Case Title:** Admin User

**Actor:** Admin

**Scenario:** In this case here admin logs into the a/c. He/ She is allowed to view the Digital Products.

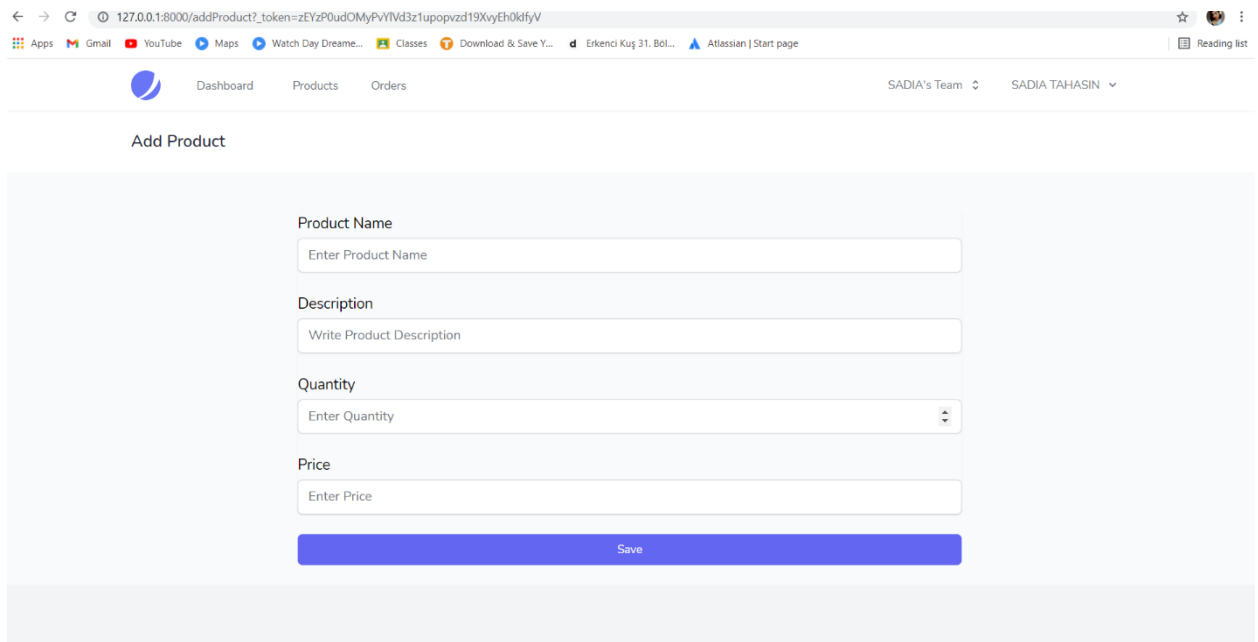

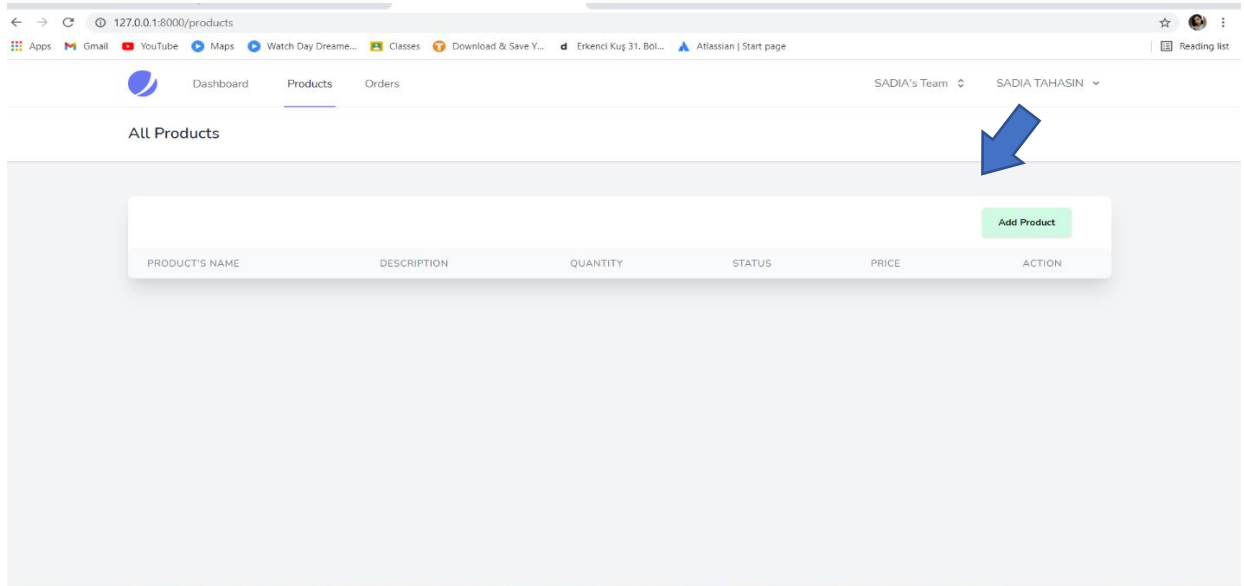

- Add Items to Menu: The admin can add new Products to the product sections.
- Delete Items from Menu: Admin can delete items from the product sections.
- Update Price: Admin can update the price of Products at any time.
- View Orders: Admin can view the order that has been placed and confirm the order

**Pre-Condition:** Admins need to be selected by owners and have their accounts to be registered for logging in.

**Post Condition:** Admins are logged in and may use the system for their desired purposes.

**Expectation:** It is expected that the design of the application is known beforehand and will be easier to develop and reliable to use.

Add Product

## Press Delete Button

The screenshot shows a web application interface with a navigation bar at the top containing 'Dashboard', 'Products', and 'Orders'. The 'Products' tab is active. Below the navigation bar, there is a section titled 'All Products'. A table displays a list of products. A blue arrow points to the 'Delete' button in the 'ACTION' column for the second product, 'mac book air'.

PRODUCT'S NAME	DESCRIPTION	QUANTITY	STATUS	PRICE	ACTION
mac	mi	15	Active	500	<a href="#">Edit</a> <a href="#">Delete</a>
mac book air	mi chip	20	Active	300.89	<a href="#">Edit</a> <a href="#">Delete</a>
Xiaomi	new edition	10	Active	10000	<a href="#">Edit</a> <a href="#">Delete</a>
samsungz3	old edition	4	Active	2000	<a href="#">Edit</a> <a href="#">Delete</a>

## Deleted Data Successfully

The screenshot shows the same web application interface as before, but with a success message dialog box displayed in the center. The dialog box contains a green checkmark icon, the word 'success', and the text 'Data has been successfully Deleted'. An 'OK' button is at the bottom right of the dialog box. The background table is dimmed.

PRODUCT'S NAME	DESCRIPTION	QUANTITY	STATUS	PRICE	ACTION
mac	mi	15	Active	500	<a href="#">Edit</a> <a href="#">Delete</a>
Xiaomi	new edition	10	Active	10000	<a href="#">Edit</a> <a href="#">Delete</a>
samsungz3	old edition	4	Active	2000	<a href="#">Edit</a> <a href="#">Delete</a>
